

ATTENTION ALL DAYCAMPERS & NIGHTCAMPERS!

Dawgs in Motion requires all dogs attending our Daycamp & Nightcamp to have on a flat easy release collar and non-retractable leash when arriving. This is a safety requirement for dogs, customers, and staff.

If you forget the collar or non-retractable leash there will be a \$5. rental fee for the day or you can purchase one from our retail store.

THANK YOU FOR HELPING US KEEP EVERYONE SAFE!

You can bring in your dog on a pinch collar, harness, etc. and we will remove it prior to kenneling and will put it back on when you pick up. This is to keep dogs from pulling which will keep both customers and staff safer from incident.
